

NVQ level 2 Qualification Course Fees

Registration Fee: £300.00

Course Fee: £1,500.00

The above fees refer to FeRFA members who are registered with the CITB as a levy payer, where grant funding is available for all employers and sole traders.

CITB GRANTS

If you are not a FeRFA member and not registered for CITB levy and want to qualify your workforce through FeRFA Training Schemes, the fees for enrolment of trainees are listed below but you will not qualify for any grant funding, become a member of FeRFA the membership fee will be deducted from the Training Fees.

Registration Fee: £300.00

Course Fee: £3,500.00

By applying to be a FeRFA member, fees will be reduced and grant funding available from the CITB

APPLICATION FORM

FeRFA provides all Trainees with practical instruction, documentation and training support throughout the duration of their training experience. The selected course content also provides practical training for preparation and application of resin systems and screeds.

All employers or Sole Traders registering trainees on the NVQ level 2 programs are required to provide their employees with PPE, transport to the training location and arrange accommodation.

FeRFA will provide the facilities to accommodate training, welfare facilities, refreshments and lunch for each training day.

Note: Fees EXCLUDING VAT.
